

# PLATE WARMER

Model: PWC-12  
PWB-12

Hatco Plate Warmers are designed to hold preheat serving plates. Serving hot food on preheated plates will help extend the holding times of most foods. The Hatco Plate Warmer has an open design for easy retrieval and loading. More importantly, it is easy to clean and can be built-in into counters for space-saving!

## • Features

- Doorless design with heated air curtain system
- Hidden digital control panel design to avoid accidental touch
- Available in counter-top, built-in or wall-mount
- Daisy-chain modular system, maximum of three units
- Designer Black as standard and Stainless Steel as optional

Hidden Control Panel

Daisy-Chain
